

Blessing Box

Have you noticed the “Blessing Box” on the corner of the SLCC building as you entered the parking lot? Have you heard what a Blessing Box is?

Thanks to Kayla, Abby, and Grace with Girl Scout Troup 1950, this is their gift to Salem. The ladies addressed the Council a year ago with the idea which was part of their taking action to make a difference in their community. The Blessing Box would be their vision towards achieving the Girl Scout Silver Award.

“We chose this idea...because there have been many economic struggles recently and this box will benefit everyone. People have been impacted because of job shortages, schools being closed, some parents having a hard time financially, and just getting necessities...we know that people come to this Church and it is a prime location in the town of Jarrettsville.”

The ladies stocked the Blessing Box and ask that we check on it frequently and restock what is needed at the time...things such as non-perishable items, canned food, water bottles, diapers, socks, mitten/hats, flip-flops, information pamphlets, blankets, hand warmers, and so on. Take a look inside to see what they have selected for the first time.

A Blessing Box blesses everyone...Those who could use a little something and those who have a little something to give. We need each other more today than ever before. Spread the Blessing Box news and give God praise and thanksgiving for Kayla, Abby, Grace, and their parents for following their vision.
